

MC1(AW/SW) Michael Cole

MC1(AW/SW) Michael Cole was born in Newport News, VA, and joined the Navy on August 14, 2002. After graduation of boot camp he transferred to Photographer's Mate 'A' school. Upon graduation he went to his first command, the USS Theodore Roosevelt. He spent five years there, and attained the position of Media Department LPO before his transfer.

He continued on to the Office of the Armed Forces Medical Examiner where he assumed LPO duties and was responsible for documenting DOD crime scenes, autopsies and all other death-related investigations. After a three year tour, he attended the intermediate photojournalism course at DINFOS en route to the USS Nimitz (CVN 68). Upon his arrival he assumed the departmental LPO duties once again where he is currently stationed.
